

BGPERT

Bath GP Education & Research Trust

“Getting Results from your Results”

Answering some of the most common consultant connect queries

With Dr Moya O’ Doherty, Dr Sarah Johnston, Dr Jen Page & Dr Gina Beckley

Wednesday 28th April 2021, 1.15pm – 4.45pm

BGPERT Webinar via Zoom

Please **RSVP** to **BGPERT**

During this session attendees will cover:

- Improving confidence in appropriately investigating and managing biochemical abnormalities such as hyponatraemia, hyperkalaemia and hypercalcaemia.
- Improve understanding and skills in managing immunological results such as IgA deficiency, coeliac tests, immunoglobulins and testing for urticaria.
- Improve knowledge and confidence in knowing how to investigate and manage abnormalities of the full blood count.
- Improve confidence in interpreting urine and skin specimens, including updated guidelines.

Programme:

1.15pm	Welcome, registration and introduction from sponsor	Dr Zoe Haines & Dr Alex Clark, BGP <small>ERT</small>
1.30pm	Investigation and management of hyponatraemia, hyperkalaemia and hypercalcaemia.	Dr Moya O’ Doherty, Consultant Clinical Biochemist
