Get to the Heart of the Matter – Cardiac Pain

With Dr Dan McKenzie, Cardiology Consultant, RUH

Thursday 3rd February 2022, 7.30pm – 8.30pm

BGPERT Webinar via Zoom

Please RSVP to [BGPERT](#)

In this session, attendees shall work through case studies to identify and learn the various ways in which cardiac pain can present, be diagnosed and managed. This will include stable and unstable angina, myocardial infarction, pericarditis, myocarditis and aortic dissection.

This meeting has been accredited by BGPERT. For more information about BGPERT including additional details about meetings visit our [website](#).

Please [click here](#) to see our instructions for Zoom. This meeting will be recorded and uploaded to our website for BGPERT members to view after the meeting.

This meeting is supported by A Menarini, a pharmaceutical company, via a three minute presentation. This event is operated independently and sponsors have no editorial control over its contents.
