

Dear BGPERT Member,

After the challenging last 24 months that we have all faced together, I am writing to firstly thank you for your continued support of BGPERT through your membership. We have continued to provide a wide range of education sessions throughout the pandemic, and continue to receive overwhelmingly positive feedback from you, our members, re content and convenience for your CPD.

I am also writing, as the trustees agreed a small increase in annual membership fee at the last AGM in November - as you probably know, we have avoided any increase for the last 9 years, absorbing inflation costs to maximise the value for money for our members. We continue to follow this principle, but the time has come where we have to make a small increase in order to safeguard our ability to continue providing an optimal programme of CPD events for you.

The new annual membership amount has increased by £20.00 per member, to apply this new amount, **please can you amend your current standing order direct with your bank**, via mobile banking or online. If easier, please complete the second half of the [membership form](#), with a wet signature, posting to us at the address below and we will forward to the bank on your behalf.

If you have any questions or queries re the above, please do not hesitate to contact myself or Tina, bgpert@birdbath.org.uk

Many thanks in anticipation of your continued support,

Sincerely, and with very best wishes for 2022,

Olly

Mr Oliver Bradford, BGPERT Treasurer
