

BGPERT

Bath GP Education & Research Trust

GP Evidence Workshops:

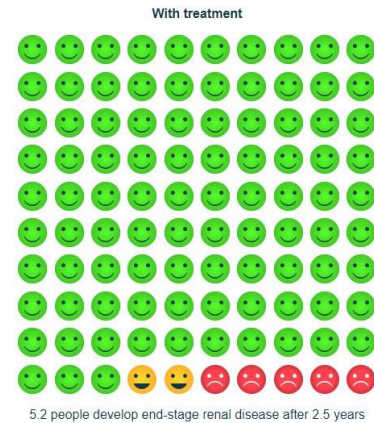

Helping you to make more informed and shared decisions

With Dr Julian Treadwell. Academic GP and developer of GPEvidence.org

Wednesday 5th March 2025, 1.45pm – 5.00pm

BRLSI, Queen Square, Bath

Please RSVP to [BGPERT](#)

About the workshops:

- How much do you know about the evidence that underpins our clinical decisions and guidelines?
- Do you discuss this with your patients?
- What happens when a guideline does not seem to fit your patient?
- Does interpreting evidence seem overcomplicated?

In these workshops, Dr Treadwell will be discussing how we can better understand, simplify and access evidence in primary care to make informed, individualised decisions with our patients.

Speaker Bio:

Julian is an academic GP now based at the Centre for Academic Primary Care, University of Bristol. His main interests are polypharmacy, multiple long-term conditions and evidence-based practice.

He developed the website GPEvidence which provides easily accessible and understandable information on the benefits and harms of treatments for long-term conditions.

He has an additional role with NICE as a moderator of their GP Reference Panel, was a founding member of the RCGP standing group on Overdiagnosis.

Programme:

1.45pm	Registration, refreshments
2.00pm	Workshop Session One
3.20pm	Refreshment Break
3.40pm	Workshop Session Two
5.00pm	Meeting Close

This meeting has been accredited by BGPERT. For more information about BGPERT including additional details about meetings visit our [website](#).
